

MoU Signed between Information Technology Development Agency and College of Technology Pantnagar, 05/12/2022

Memorandum of Understanding (MoU) is signed between the Information Technology Development Agency (ITDA) and College of Technology, G.B. Pant University of Agriculture & Technology, Pantnagar on 5th December 2022 at ITDA, Dehradun.

Dr Alaknanda Ashok, Dean CoT-Pantnagar and Amit Kumar Sinha (IPS), Director ITDA signed this MoU to initiate drone training for students, faculty members and Researchers of college of Technology, Pantnagar.

This MoU is focused on the implementation of Drone Technology in various fields like application in agriculture, disaster, research and development activities.

DARC-ITDA will assist CoT-Pantnagar to establish the Drone Centre of Excellence in college which is aimed to incubate drone skills in students of Pantnagar.

ITDA is looking forward to establishing training units and drone schools in Uttarakhand state and providing training to various government ITI and Polytechnic students of Uttarakhand.
